UNISIP

WHAT'S UNISIP ABOUT?

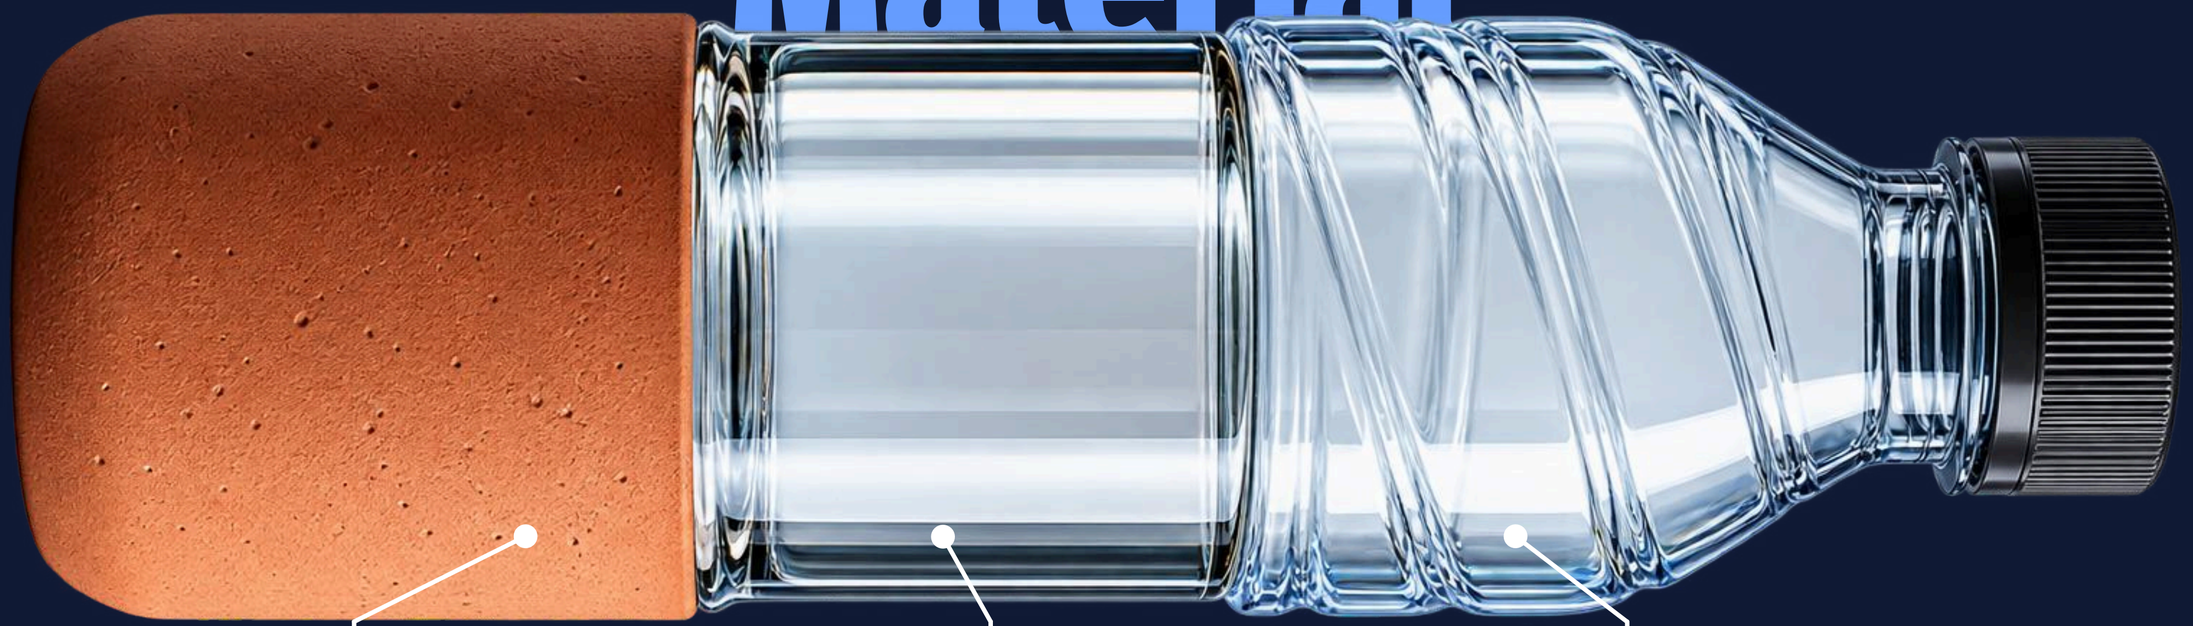

UNISIP is a Kolkata-based company helping the HoReCa segment create custom-branded hydration experiences. With 50+ clients across Kolkata, Guwahati and Siliguri, UNISIP is now expanding its presence into Pune and Hyderabad, helping more businesses across India to experience customized hydration solutions.

The brand is working with leading pan-India chains such as TGIF and Cosy Box, along with Bengali food chain giants such as Kasturi. UNISIP's work also extends beyond traditional hospitality. The brand has collaborated with nationally recognized personalities such as Ashish Solanki, creating customized water bottles for his shows, and with Aman Gupta for his conference in Kolkata.
